DECLARATION

This is to declare that World Book of Records - London, UK has completed journey of four years a grand success and established brand across the continents. As it is entering on fifth year, WBR is going to have dynamic change throughout its brand and activities across the world. Owing to change and going into new flavor, we are changing most of things in our websites and policies to serve better than earlier. Recently, we are going to change our various Intellectual Property Rights (IPR) of the brand for distinct identity. So onwards from March 25, 2021 that changes, our certificates would be with new changes. People those associated with WBR in any respects shall not have any official identity with us. In coming years, we will do better to serve our all services. Kindly allow us to undergo with such dynamic changes.

Date : 15 March 2021
