Dear all,

World Book of Records has been exploring brilliant and great personalities and organizations for many years through the authenticate certification process. I am grateful for all your support and trustworthiness.

In association with World Record Publishing Company which is a certified from Quality Certification Limited, London has started an initiative to honor and appreciate outstanding and tremendous personalities and their organizational work through Star 2020 Certification. With this initiative People who are dedicating services to society and nation amid the Covid-19 Lockdown across the world are being provided appreciation certificates. They all are significantly noticeable because they are fulfilling their duties abiding the laws of Government and spreading the new hope and positivity among natives.

It is worth mentioning here that through Star 2020 Edition names of all certified people and organizations will be placed in an online directory. In addition, it is also notable that Star 2020 is not a world record document but it is an appreciation certification.

We hope that our Star 2020 online certificate and directory will perform with full responsibility of acknowledgment of good deeds at international level.

Please stay at home, stay safe with positive energy and make yourself engage in innovative and enthusiastic work.
